Hi Judith, please see Paul's revised attachment. Stan Meiburg's comments and questions have been addressed with edits and response comments in the margins, the Q&A's are now an attachment as you requested, and a few other things that had become out of date have been tweaked. Please let us know what you think. If possible, we'd like to wait until Monday to allow Angela and Joe to review it before it goes back to HQ. Thank you.

Paul or pat: please make the attached edits from stan meiberg. Then, we need to change the format. A short cover letter from me to the mayor with an attachment that answers the questions. When done, send it to me and I will send it to hq thanks

Hi, Judith...apologies for just getting to you.

I'm still not settled in my mind on the best means of response (call or letter), but could certainly be both (call on substance, letter in follow-up). Play with the attached in the way we discussed, but please don't send anything until we close the loop together.

Mark
